(No specific titles ere indicated on sleeve. For many years we reported this being issued with 6540 [*I Want You, I Need You, I Love You*]. A few years ego, certain facts persuaded us to change it to 6357 [*Mystery Train*]. Now, as more RCA sleeves in this "Life Story" series ere found, the truth becomes even more elusive. Here ere some facts from which you may draw your own conclusion:
1. RCA issued promo sleeves in the "Life" series from early 1955 through mid-'56. Those we've seen from '55 came with e white label "Record Prevue" disc. Many have the song titles printed on the sleeve (i.e. 6077, Dinah Shore *Whatever Lola Wants*), and many from '55 ere duotone (black plus one color). Since the only U.S. "Record Prevue" by Elvis is *Mystery Train*, the sleeve may have come with that disc. Also, 6357 was RCA's first Presley single, making this sleeve quite appropriate.
2. All of the "Life" sleeves we've seen from early-to-mid-'56, when *I Want You, I Need You, I Love You* (6540) came out ere black and white, es is the Elvis "This Is His Life" sleeve. Two in particular recently verified, one on each side of 6540, are for the Rhythmettes (6539) and the Mike Pedicin Ouintet (6546). Both are identical in format to the Presley sleeve. Although not often suggested, who's to say this sleeve wasn't used with any of several Elvis discs, including *Heartbraak Hotel?*
For now, and until we are further enlightened, we will list the sleeve without a specific record title ettached to it.

Regardless, sleeve variations within the price range given do not require separate listings. If the value veries beyond the given range, a separate listing will be added. Sleeves for the RCA "447" Gold Standard Series are fisted in e separate section following the Gold Standard Singles. A slight premium – perheps $3 to $5 – may be placed on RCA's "Living Stereo" paper sleeves. These were used for many different RCA stereo singles end were not exclusively en Elvis item.

(Monaural. Black label, "Long Play" et bottom. Cover has selection number in upper right corner. Mistakenly pressed with an alternative take of *Old Shep*, not available on any other authorized U.S. vinyl release. Any copy with e "15S," "17S" or "19S" matrix on side 2 (following identification number stamped in the vinyl trail-off – matrix on side 1 is irrelevant) is likely to have the alternative; however, playing the treck is the way to be certain. Alternative is different throughout, instrumentally end vocally – especially Elvis' phrasing – but here are two lyric variations. Words in ell upper case ere exclusive to the alternative take (which can be heard on the 1992 CD boxed set *Elvis – The King of Rock 'N' Roll, The Complete '50s Masters*): 1) "As the years fast did roll, Old Shep he grew old AND his eyes were fast growing dim." 2) "He came to my side end he looked up at me, end HE laid his old head on my knee."
